EG-ZERTIFIKAT ÜBER DIE WERKSEIGENE PRODUKTIONSKONTROLLE

EC-CERTIFICATE OF FACTORY PRODUCTION CONTROL

No. 0921 – CPR- 2073

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction products(s) according to EN 1504-2:2004

Products and systems for the protection and repair of concrete structures

2: Surface protection systems for concrete

for the intended use

- **Protection against ingress (1.1)**
Moisture control (2.1)
Increasing resistivity (8.1) [acc. EN 1504-2:2004, table ZA.1a]
- **Protection against ingress (1.3)** [acc. EN 1504-2:2004, table ZA.1d]
- **Moisture control (2.2)**
Increasing resistivity (8.2) [acc. EN 1504-2:2004, table ZA.1e]
- **Increasing physical resistance (5.1)** [acc. EN 1504-2:2004, table ZA.1f]
- **Resistance to chemicals (6.1)** [acc. EN 1504-2:2004, table ZA.1g]

placed on the market by

Sika Deutschland GmbH
Kornwestheimer Straße 103-107
70439 Stuttgart

and produced in the factory

Werk 1010

is submitted by the manufacturer to the initial type-testing of the product, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body

QUALITÄTSGEMEINSCHAFT DEUTSCHE BAUCHEMIE^{EV}.

has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in the Annex ZA of the standard

EN 1504-2:2004

in conjunction with EN 1504-8:2004 were applied.

This certificate was first issued on **4 January 2010** and remains valid as long as the conditions laid down in the harmonized technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.
